	<p>PART B-SCHOOL IMPROVEMENT</p>	
<p>GB 27/17</p>	<p><u>To receive the Headteachers Report (March 2017):</u></p> <p>The Headteacher circulated her report and asked if there were any questions. <i>Q: As a school you have self-evaluated as ‘Good’, does anyone verify this judgement?</i> <i>A: Yes, our School Improvement Adviser, she is visiting the school in the second half of the summer term to do this.</i></p> <p><i>Q: What does achieving ‘mastery’ mean?</i> <i>A: It means a ‘deeper level of learning’, and, for example, we are aiming for 25% of children to achieve this in Maths.</i></p> <p>It was noted that a Maths Learning Walk would take place on the 17th March during which the quality of teaching and learning in maths will be monitored by Governors and the Leadership team.</p> <p><i>Q: What will that entail?</i> <i>A: A short observation of class teaching, book scrutiny and pupil conferencing.</i></p> <p><i>Q: Are you satisfied with the progress and achievement of children?</i> <i>A: Yes we are, the information in the report demonstrates that a lot of progress, compared with last year, has taken place. We are very aware of where children have made progress.</i></p> <p><i>Q: Will the resignation of AM from Easter impact on the progress that is being made?</i> <i>A: We are recruiting now for the best person and intend to interview on the 4th April, potential candidates can visit the school on the 23rd March. During the summer term we plan to maintain these high standards through increased hours for the HLTA, mentoring of an effective trainee teacher and employing a supply teacher. The HT and DHT will increase their presence in order to provide additional support.</i></p> <p><i>Q: How will parents be assured that this change will not impact negatively?</i> <i>A: We will take the opportunity to talk with parents, and also emphasise that new teachers will be bringing vibrancy and challenge, in a similar way that HB has brought to the school.</i></p> <p>It was noted that flexible staffing arrangements across both schools had been commended during the recent Ofsted inspection at RMS, with HB stepping in, in the absence of a teacher, to deliver teaching in a Foundation Stage class, demonstrating what an outstanding, capable and adaptable teacher she is, strong qualities recognised by both the School Improvement Adviser and Chair of Governors at RMS.</p> <p>Resolved: That the Headteacher be thanked for her positive update and commitment to ensuring the children at the school continued to benefit from quality teaching.</p>	<p>All</p>

<p>GB 28/17</p>	<p><u>To receive an update on safeguarding:</u></p> <p>There were no safeguarding issues to report, and safeguarding had been considered as part of the Health and Safety walkabout (see item 17 and Minute GB 34/17).</p>	
<p>GB 29/17</p>	<p><u>To receive an update on SEND:</u></p> <p>There was nothing further to report apart from the fact that the Inclusion manager, Lucy Greggan, continued to provide support for the more vulnerable pupils and those with SEND. Review meetings are closely focused around progress data as well as children’s personal targets.</p> <p>Resolved: That CH was aiming to arrange a meeting with LG as soon as it was practicable.</p>	<p>CH/LG</p>
<p>GB 30/17</p>	<p><u>To approve the following curriculum related policies:</u></p> <p>The policies had been circulated to Governors for consideration and approval for adoption.</p> <ul style="list-style-type: none"> • The Assessment Policy and timetable • Collective Worship Policy • Religious Education Policy (RE) <p>It was noted that J Swinbank had responsibility for RE across both schools.</p> <p>Resolved: That the policies be approved and adopted, signed and dated by the Chair.</p>	<p>All/Chair</p>
<p>GB 31/17</p>	<p><u>Governance Update:</u></p> <p>JS reported that the Governor Development Plan had been updated and Governors were reminded to let KH have any evidence of training they had undertaken so it could be logged in the Governor Training File. Training opportunities for the summer term had yet to be released but would be forwarded when available.</p> <p>Resolved: a) That the Clerk would forward information on Governor training as soon as it was made available.</p> <p>Governors were reminded to send their brief biographies to KH for locating on the website.</p> <p>Resolved: b) That Governors would submit their brief biographies to KH by the end of term.</p> <p>JS reported that the ‘Chair of Governors 360 degree review’ had been undertaken and that he and Sue Ellis had carried out an analysis of responses from six Governors. There was a strong vote of confidence in the Chair ,highlighting:</p> <ul style="list-style-type: none"> • Management and leadership skills • Driving the collaboration forward. • Strength in dealing with staffing matters. • Leadership of sustainability planning. <p>and only a few suggestions made for improvement.</p> <ul style="list-style-type: none"> • Induction for new Governors –through production of a school pack 	<p>Clerk</p> <p>All/KH</p>

	<p>and emphasis on training, in-house if more practicable, due to distance from usual NYCC venues.</p> <p>The Chair thanked Governors for their views and agreed more needed to be done in support of new Governors, probably through a combination of mentoring and information. The report would be located in the Governor Development File.</p> <p>Resolved: c) That SE and JS be thanked for their work in analysing the findings.</p>	<p>All</p>

PART C – FINANCIAL PERFORMANCE

<p>GB 32/17</p>	<p><u>To receive a budget update:</u></p> <p>DW Chair of the Finance Committee explained that the Finance Committee had just met and that the draft outturn for 2016/17 was looking positive, £5,000 better off than predicted. An in year predicted deficit of £7,258 was offset by a carry forward budget of £37,839.</p> <p><i>Q: Has anything been agreed yet on the 'Fairer Funding' Formula?</i></p> <p><i>A: Not yet, we can assume that the next financial year shouldn't change a great deal from this year.</i></p> <p>The SFVS had been updated by DW, based on Governor feedback, and had been recommended for ratification by the FGB by the Finance Committee. The main changes to the previous year included the emphasis on the importance of the 'Collaboration' and the innovative and cost-effective approach to 'one class' teaching.</p> <p>Resolved:</p> <p>a) That the SFVS be approved, ratified, signed and dated by the Chair for submission to NYCC by the end of March 2017.</p> <p>Resolved:</p> <p>b) That DW and the members of the Finance Committee be thanked for their oversight of the school budget.</p>	<p>All</p> <p>All</p>

The school had opted to buy in to the full MASS scheme, therefore the newly identified drainage problem at the front of the building should be covered by the scheme.</p> <p>Resolved:</p> <p>That KH and SE be thanked for their work in ensuring the health and safety of the school was maintained in the best interests of children.</p>	<p>All</p>
